

KDA BELIEVES DIVERSITY MOVES OUR COMMUNITY

KDA is passionate about creating an organization that promotes and values racial equity, diversity, inclusion and accessibility. Kern County's cultural landscape is diverse and KDA strives to provide programs and services that reflect the unique communities of Central California. KDA believes that the arts cultivate an inclusive culture that is free to contribute to our community's creative spirit. KDA strives to be diverse in age, gender identity, race, sexual orientation, physical or mental ability, ethnicity, and perspective. More importantly, KDA aims to create an environment in which everyone, from any background, can do their best work and make the greatest impact.
